Lack of Toilets at Stations
Choudhary Shri Ram Tahal

Will the Minister of RAILWAYS be pleased to state:

(a) whether there is no toilet in front of the gate of the main railway station premises of Ranchi district which is resulting in a lot of filth lying there;

(b) if so, the reasons for not providing a toilet there; and

(c) the steps taken/proposed to be taken by the Government to provide a toilet in front of the gate of the main railway station premises of Ranchi district?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI RAJEN GOHAIN)

(a) to (c): District wise figures are not maintained. However, Pay and Use Toilets are already available at Ranchi Railway Station. As per norms, Pay and Use Toilets are provided at circulating area, not in front of main gate of Railway station. Under integrated cleanliness contract of Ranchi station, circulating area along with drains are cleaned daily. As such, filth does not lie.
